Europass Curriculum Vitae

Personal information

First name(s) / Surname(s)	**Matjaž Samarin**
Address(es)	Rimska c. 61a, 1358 Log pri Brezovici, Slovenia
Telephone(s)	+386 (1) 755 38 98 Mobile: +386 (41) 268 508
E-mail	matjaz.samarin@siol.net
Nationality	Slovenian
Date of birth	05/05/1971
Gender	male

Desired employment / Occupational field

Project management, R&D, Production management

Work experience

Dates	01/01/2010-31/8/2012
Occupation or position held	Investment project management – field of energy, production
Main activities and responsibilities	- Successfully realized more than 19 investment project in total value of over 3.000.000 EUR - Project implementation (project initiative, analysis SWOT/ROI, planning, engineering, design, market survey, choice of suppliers and contractors, supervision of execution and contractors, commissioning, development of technical documentation, personal training, financial and time schedule supervision, reporting to executive board) - Implementation of complex technical problems in the field of energy - Proposing and preparation of new investment programs in energy - Proposals and realization of energy efficient use - Education and training of new employees
Name and address of employer	Julon d.d., Letališka c. 15, Slovenia
Type of business or sector	Production of nylon yarn and chips

Dates	01/01/2008-31/12/2009
Occupation or position held	Project manager and Head of Energy Department
Main activities and responsibilities	- Management of Energy Department and leadership of 10 employees (distribution of tasks, supervision, education and training) - Implementation of studies, analysis, reporting and forwarding proposals for improving energy efficiency (by implementing carefully selected investments the money saving of 5 % was achieved) - Planning and implementation of regular and preventive maintenance of energy equipment - Financial planning of maintenance and supervision - Coordination of activities under emergency, analysis of emergency situations and corrective actions - Proposing and planning the development of energy department - Supervision on use of energy and implementation of future projection of energy consumption based on trends and production plan.
Name and address of employer	Julon d.d., Letališka c. 15, Slovenia
Type of business or sector	Production of nylon yarn and chips

Dates	01/04/2003-31/12/2007
Occupation or position held	Project manager of fiber spinning department

Main activities and responsibilities	- Operational and technical execution of project activities - Proposing and implementation of new production processes, technologies and improvements - Implementation of current state of the art of fiber spinning technology - Technical support of production - Implementation of measurements and testing - Implementation of analysis, studies, preparation of reports and user instructions - Preparation of tender and project documentation - Optimization of production processes (reducing waste and production time, increasing the productivity, improving quality) - Resolving customer claims and proposing corrective actions
Name and address of employer	Julon d.d., Letališka c. 15, Slovenia
Type of business or sector	Production of nylon yarn and chips
Dates	01/01/2003-31/3/2003
Occupation or position held	Developer I
Main activities and responsibilities	- Programming C/C++ - Software development
Name and address of employer	Iskra Sistemi d.d., Stegne 21, Slovenia
Type of business or sector	Sector of protection and control
Dates	01/01/2000-31/12/2002
Occupation or position held	Independent researcher
Main activities and responsibilities	- Management of R&D projects - Implementation of measurements and testing - Implementation of analysis, studies and preparation of reports - Development, design and construction of new measuring equipment, devices and procedures - Preparation of accreditation documentation and participation in internal assessment - Participation at conferences and trade fairs - Management of private CEM library - Education of students and research assistance - Participation in organization of international workshops and conferences
Name and address of employer	University of Ljubljana, Faculty of Mechanical Engineering, Aškerčeva 6, Slovenia
Type of business or sector	Education, research and development

Education and training

Dates	01/05/1996-23/03/2000
Title of qualification awarded	Master of Science in Mechanical Engineering – Design and mechanics
Principal subjects/occupational skills covered	Mechanics of polymers and composites, Experimental mechanics, R&D in the field of measurement and mechanics of polymers, Structural design by non-metallic materials
Name and type of organisation providing education and training	University of Ljubljana, Faculty of Mechanical Engineering, Aškerčeva 6, Slovenia
Level in national or international classification	VIII./1, ISCED 5A II
Dates	01/10/1990-29/09/1995
Title of qualification awarded	Bachelor of Science in Mechanical Engineering – Energy and process engineering
Principal subjects/occupational skills covered	Energy systems and devices, Heat engines, Energy machinery dynamics, Cooling techniques, Internal combustion engines, Process techniques, Experimental methods, Thermodynamics, Fluid dynamics, Heat transfer, Methodology of optimization, Cybernetics
Name and type of organisation providing education and training	University of Ljubljana, Faculty of Mechanical Engineering, Aškerčeva 6, Slovenia
Level in national or international classification	VII., ISCED 5A I

Personal skills and competences

Organisational skills and competences

- Extensive experiences in managing large investment projects as well as in cooperation and communication to subcontractors, Julon d.d. (2008-2012)
- Management of energy department and leadership of 10 employees, Julon d.d. (2008-2010)
- Active participation in applying to numerous calls for proposals of Ministry of Economy, Ministry of Science and Technology and European Commission (5th Framework Programme). – CEM, Faculty of Mechanical Engineering, (1996-2003)
- Active participation in establishment and registration of Slovenian Society of Experimental Mechanics. (1998)
- Active participation in organization of numerous international workshops and conferences. – CEM, Faculty of Mechanical Engineering, (1995-2003)

Technical skills and competences

- Management of numerous investment projects targeting energy efficient use by which Julon accomplish money savings of 5 % of total corporate energy costs, Julon d.d. (2008-2012)
- Computer Aided Design – Development of technical drawings and project documentation of new tower cooling system and Chiller plant optimization, Julon d.d. (2008-2012)
- Internal assessment of CEM quality system according to standard ISO 17025 (DIN45001) – Faculty of Mechanical Engineering; Participant of seminar »Internal assessment according to SIST ISO 9001 in SIST ISO 10011 (Biro Q d.o.o. – 2000)«

Computer skills and competences

Author of several software applications:

- Software application for alarming and informing from energy systems over SMS in E-mail messaging system, Julon d.d. (2011)
- SCADA application for central data acquisition from energy systems, Julon d.d. – (2010)
- Software application for supervision of production process utilization, Julon d.d. (2010)
- Software application for determining of nylon chips oxidation rate by means of UV light and computer vision, Julon d.d. (2005)

Knowledge of programming languages and development tools: Microsoft C, Quick C, SDK (Software Development Kit – Visual Studio), QBASIC, Visual Basic, VBA, LabView, Java, Java Script, JSP, HTML

Knowledge and years of experience with following software: MS Office (Word, Excel, PowerPoint, Access, FrontPage), MS Project, ACAD, ProgeCAD, Inventor, 3D Rhino, CorelDRAW, Corel Photo-Paint, Mathcad, SAP, SCADA: RS View (Rockell), Movicon (Progea), Digivent/DigiDB (LTG Aerolab), ScadaBR

Other skills and competences

- Research assistant of Mechanics and Mechanics of time dependant materials (polymers), Faculty of mechanical engineering, University of Ljubljana (2000 – 2003)
- Manager of research group ARRS – no. 1942 – Julon (2006-2012)

Driving licence B
